2015-2016
ANNUAL REPORT

Rebecca Theis
2015-2016 JLD President

Beverly Morrato
2015-2016 JLD Foundation President

DEAR COMMUNITY AND MEMBERS,

As we pause to reflect on our 2015–2016 year, we feel proud and a bit emotional thinking about all that we accomplished together. Our members truly embody what it means to be leaders, motivators and agents of change.

Together, we purchased and moved into our beautiful new JLD Headquarters in the Golden Triangle area on March 25, 2016. Our Building for the Future Committee, Board of Directors and JLD Staff all helped navigate this massive transition. If you haven't stopped by yet to look around, I encourage you to do so! Our new building will be a place where we can gather and do our important work for many years to come.

We also made the extremely difficult decision to officially close our Second Time Shop in Happy Canyon Shopping Center on April 3, 2016. This 43-year fundraising institution was an excellent source of revenue for the JLD for many years, but we came to the hard realization that it was time to let go. A huge thank you goes out to our Second Time Shop Staff, as well as all members that served on our Second Time Shop Committee and Second Time Shop Special Committees to handle all the details around the closing, including a wonderful celebration on March 19, 2016.

Additionally, we continue to plan for the future by completing a comprehensive 2016–2021 Strategic Plan, in time for our 100th Anniversary in 2018–2019. The plan will be implemented this year. We're confident that we are poised for not only an incredible 100th Anniversary celebration, but also for the future.

The JLD and JLD Foundation Boards continue to work together to streamline our fundraising efforts to be more efficient and have greater transparency. **We are so grateful for the \$279,500 distribution we received from the JLD Foundation in 2015–2016, representing approximately 25% of our total operating budget.** We simply could not do it without our beloved Foundation, and remain forever grateful for the talented women that started our endowment in 1992 with the sole purpose of supporting the Junior League of Denver into perpetuity.

Concurrently, our community programs, fundraisers and training programs were all highly successful. We encourage you to read more about our myriad of accomplishments this past year in this report.

When women from every background give their time, talent, energy, and money to educational and charitable activities, they can drastically improve the quality of life in our community and in our world. **We are those women. We are the Junior League of Denver.**

Thank you for your ongoing commitment! It has been an honor to serve you.

Sincerely,

Rebecca Theis
2015–2016 JLD President

2015–2016 JLD Foundation President

WHO WE ARE

The Junior League of Denver is a women's training organization that develops civic leaders committed to improving our community. We are currently working to improve literacy rates in the Denver metro area, for children from birth through third grade. Founded in 1918, the League started many well-known Denver institutions including the Children's Museum of Denver, the Mile High Transplant Bank and the Red Rocks concerts.

JLD FOUNDATION

In 1992, our members had the vision to create one of the first ever Junior League Foundations, to guarantee sustaining our mission long term. Thanks to their wisdom, the Foundation now provides approximately 25% of the League's annual operating budget every year. The greatest needs in our community will change, but our commitment to developing women into trained volunteers ready to address the greatest needs will *never* change.

The JLD Foundation investment portfolio was valued at \$6,871,000 on May 31, 2016.

In 2015–2016, the Foundation funded a distribution to the JLD in the amount of \$279,500, the largest distribution to date. This distribution is given in accordance with JLD Foundation Policies to be expended as the JLD Board determines.

The JLD and JLD Foundation continue to work together on a combined strategic model to streamline our fundraising efforts in order to be more efficient. To that end, members are encouraged to make gifts, no matter what size, to the JLD and/or the JLD Foundation.

Our goal is to create a “culture of philanthropy” where members give what they can, when they can, in a way that honors an individual member's personal giving goals. Cumulative contributions in support of the JLD and/or JLD Foundation are reflected in this report.

TWO WAYS TO SUPPORT THE JLD

IMMEDIATE IMPACT

When our members support the Junior League of Denver directly, we support the immediate needs of the League and the community programs we support. Membership dues alone are not enough to pay for all that we aim to accomplish. And while we are extremely fortunate to have the support of our Foundation, our growth is more sustainable when that support is paired with fundraising for immediate needs. Gifts made directly to the Junior League of Denver have been put to work today funding our mission-driven expenses.

FOUNDATION INVESTMENT

When we support the Junior League of Denver Foundation, we make sure the League will be strong now as well as for our daughters and granddaughters. Gifts to the Foundation have a multiplying effect because we not only support our current members who directly touch the lives of children in our community, but we also support the training of future civic leaders and skilled community volunteers. Our members ensure that our legacy of developing women to become impactful civic leaders and skilled volunteers will live on for generations to come.

FOUNDATION DISTRIBUTION

Did you know? The JLD Foundation provides a distribution to the JLD each year that accounts for approximately 25% of the total operating budget. In 2015–2016, the distribution was \$279,500, the largest distribution to date.

2015–2016 JLD COMMUNITY HIGHLIGHTS

In our 98-year history, the Junior League of Denver has been known for identifying the greatest needs of our community and developing solutions to meet them, from healthcare, to the arts, to the needs of our children in Denver.

Today, we are making a difference in the lives of children (ages birth through third grade) by promoting literacy. To address this significant need, the Junior League of Denver supports multiple community projects financially as well as with volunteers in direct service, training, management and Board participation. Questions? Email community@jld.org.

ROCKY MOUNTAIN PBS KIDS FUN FEST

The JLD proudly participated in the Rocky Mountain PBS Kids Fun Fest on Saturday, September 12, 2015 in downtown Denver. **For the second year, Done in a Day volunteers distributed about 2,000 books and healthy snacks to children and their parents.** The JLD booth was very popular, boasting a line for most of the event. More than 8,500 attendees came out for the kid-centric event to see Curious George, Clifford, and of course, to receive a FREE age appropriate book and snack from the JLD! Thank you to all members that participated in this wonderful and inspiring day! Learn more at rmpbs.org/funfest.

ONE BOOK 4 COLORADO

The JLD provided a \$10,000 sponsorship to One Book 4 Colorado for the fourth consecutive year. More than 75,000 copies of *Giraffes Can't Dance* by Giles Andreae and illustrated by Guy Parker-Rees were distributed to every four-year-old in Colorado April 11–25, 2016. Learn more at onebook4colorado.org.

2015–2016 COMMUNITY PROGRAMS

- **Done in a Day:** Providing volunteers to nonprofits for short-term projects throughout the Denver metro area. We completed 157 Done in a Days shifts, and members spent 2,609 hours on Done in a Days in the community.
- **Little Free Libraries:** The League placed 18 Little Free Libraries for placement at community centers throughout the Denver metro area. It's a "take a book, return a book" gathering place where people can share literature and stories.
- **The Gathering Place:** We served approximately 5,000 meals between September 2015 and May 2016 at Denver's only daytime drop-in shelter for women, their children, and transgender individuals experiencing poverty or homelessness.
- **Kids Connect:** Bimonthly family literacy-based program centered on early childhood brain development. The program, held at both Sewall Child Development Center and Children's Outreach Center in 2015–2016, was designed and implemented by the JLD. About 510 children and their caregivers were served at 26 program nights at each location with more than 250 books distributed.
- **Tutoring with Kids:** The JLD provided one-on-one tutoring for Reading Partners Colorado and TutorMate, an online literacy program that helps kids improve reading abilities.
- **Read2Kids:** An event-based program promoting literacy through access to books and parental/ caregiver involvement. The JLD served 11 partner schools. Volunteers distributed approximately 1,480 new books to more than 450 kids, ranging from preschool to sixth grade. Our partner profile targets Denver metro area schools with 85%+ of students qualifying for free or discounted lunch.

PUBLIC POLICY & ADVOCACY

The JLD has a proud history of public policy and advocacy. We were the first League to hire a government affairs consultant in 1987. The Public Policy Council works closely with the consultant to monitor, advocate, and support various pieces of legislation. The League has supported policy addressing literacy issues, child health issues, women's health issues, and women's self-sufficiency issues. The Public Policy Council also hosts several training opportunities throughout the year to educate the membership on key issues facing our state, as well as the election process. Questions? Email publicpolicy@jld.org.

2016 LEGISLATIVE SESSION HIGHLIGHTS

- Monitored 18 bills, including active support of 13
- JLD members provided testimony for two bills in Committee hearings
- Partnered with the League of Women Voters for a Ballot Initiative Training.
- Hosted October 2015 General Meeting at the State Capitol, including a panel discussion on Colorado's fiscal environment and TABOR
- Hosted more than 20 legislators for Annual JLD Day at the Capitol in February 2016
- Organized and hosted University League training on Pay Equity and Salary Negotiations for Women

JLD MEMBER TRAINING

In addition to the experiential training our members receive through various placements and projects, the JLD features a Training Council that provides a variety of learning and enrichment opportunities for our members, serving the very heart of our mission. Questions? Email training@jld.org.

Our Training Council consists of the following committees:

- **Active Advisor Committee:** New for 2016–2017, this committee assists with the transition from Provisional to first year Active. Active Advisors act as mentors and facilitate members developing new skills to use within and outside of the League. The committee facilitates newer members with a peer learning group and an opportunity to explore the possibilities of their JLD experience.
- **General Meetings:** Led by the JLD President and General Meeting Chair, these events feature inspiring keynote speakers, advocacy training, and much more. General Meetings serve as a member touch-point and networking opportunity.
- **Leaders In Action:** These trainings focus on the development of our members who are leading councils and committees, with a focus on core leadership competencies, soft skills, and peer learning.
- **Leadership Institute:** Member placement that provides focused personal and professional development. JLD members are selected through an interview process and participate in regular courses throughout the year. The intent is for the members to take on leadership positions after successful completion of this holistic education for nonprofit leadership.
- **Talent Management:** This committee provides specific training to give women the skills they need to be successful in their League placements. Examples include literacy training for Read2Kids members and fundraising techniques training for Journey committee members.
- **University League:** These enrichment courses focus on a wide variety of topics ranging from interior design, auto maintenance, career performance enhancement, home buying, women's health, and new topics each year.

GIFT OF TIME

Unpaid volunteers have donated a significant number of hours to assist the League in achieving the goals of its various service programs. In the 2015–2016 year, our members donated approximately 82,000 hours. We sincerely thank our members for their time and talents!

*This amount includes a distribution of \$279,463 and a reimbursement of JLD operating expenses of \$50,000.

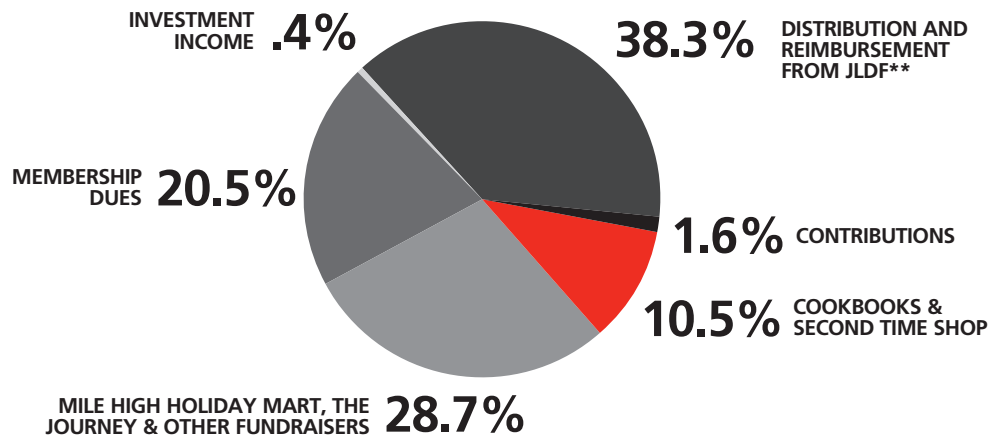

**Generally accepted accounting principles require revenues to be presented net of costs of direct benefit to donors. The distribution from the JLD Foundation actually represents 25.5% of JLD gross operating expenses.

2015 MILE HIGH HOLIDAY MART

Net event revenue: \$145,998

Our 2015 Mile High Holiday Mart, held November 13–15 at the Gates Field House on the University of Denver campus, was an overwhelming success! About 8,500 shoppers came through the doors during the three-day shopping event. The fundraiser again proved to be the best event in town to find unique holiday gifts for family and friends. Thank you to Co-Chairs Alyssa Jauregui and Kerri Voelker, their committees, all event sponsors and attendees for making it the best year yet! A special thank you also goes out to our Presenting Partner, Saint Joseph Hospital, for their support. Questions? Email holidaymart@jld.org.

THE JOURNEY, FEATURING KEYNOTE SPEAKER JENNA BUSH HAGER

Net event revenue: \$63,931

Thank you to all who attended and supported The Journey on Friday, March 4, 2016 at the Hyatt Regency Denver at Colorado Convention Center! A wonderful time was had by all in attendance, about 700 people. Our keynote speaker, Jenna Bush Hager, inspired the crowd with stories of service and compassion from her own life, and she answered questions from an eager audience afterwards.

Thank you to Journey Co-Chairs Mary Beth McErlane and Ashley Foy, as well as all members of The Journey Committee for working tirelessly on the event. We appreciate your efforts to move the event to a Friday night in downtown Denver, as well as provide the convenience of mobile bidding for the silent auction. A huge thank you also goes out to emcee and auctioneer Reggie Rivers for leading a successful live auction and paddle raise, our wonderful sponsors and in-kind donors, attendees and everybody who made The Journey a success. Again, thank you for your support! Questions? Email journey@jld.org.

One of the goals included in the JLD's 2016–2021 Strategic Plan is to “create a culture of philanthropy” among our members. The organization recognizes the value in every gift, no matter what the size, and encourages our members to give what they can, when they can to honor their own personal philanthropy plans and goals. To that end, cumulative contributions in direct support of the JLD and/or JLD Foundation are included in this report.

SECOND TIME SHOP CLOSING

SAYING FAREWELL TO SECOND TIME SHOP, A DENVER INSTITUTION AND JLD FUNDRAISER

On Saturday, April 2, 2016, our Second Time Shop closed its doors after more than 42 years of serving the Denver community and the JLD as a primary fundraiser. Many factors led to the difficult decision to close, including rising operation rates and a highly competitive resale market. On Saturday, March 19, 2016, our Second Time Shop Committee and Staff hosted a wonderful celebration at the Shop to recognize those that have made the fundraiser a success for so many years, past and present. It was a fantastic way to honor and celebrate the Shop's deep history in Denver. Everyone shopped, reminisced, and enjoyed spending time together one last time.

A special thank you goes out to Emily Rissmiller, Second Time Shop Chair and Darlene Jones, Second Time Shop Manager, for their tireless dedication to wrap up all business at our location in Happy Canyon Shopping Center. Thank you also to Angela Andrews, our Finance & Operations VP, for her hard work and support throughout the process. Ladies, we could not have done it without you! You are all valued and deeply appreciated.

The Junior League of Denver Second Time Shop, first known as Second Hand Rose, has served the community since 1973. Originally located in a one-story stucco building on the west side of Broadway, just north of I-25, the store has since moved to several locations throughout the metro area.

In 1980, the name was changed to Second Time Shop and the store moved farther south on Broadway in an effort to be more accessible to thrift shoppers. The following year a fire broke out inside the store, burning it down and forcing another move. The shop then moved to 3372 South Broadway, before moving again in 1991 to 351 West Girard. In 2005, the Shop was moved a final time to its current location at the Happy Canyon Shopping Center.

Thank you to everyone that supported the Second Time Shop over the years! We are forever grateful.
