2018-2019 FACT SHEET

WHO WE ARE

Junior League of Denver (JLD) is a women's training organization that develops civic leaders committed to improving our community. We are currently working to improve literacy rates and provide access to books for children through the third grade. Over the past 100 years, the League started, and aided in starting, many well-known Denver institutions including Children's Museum of Denver, Mile High Transplant Bank, the Red Rocks concerts, and many others.

LIVE THE LEGACY: GIVE, GROW, GET CONNECTED

JLD is an organization where women Give back to their community, Grow professionally and personally, and Get Connected to other women. PUBLIC POLICY & ADVOCACY

JLD has a proud history of public policy and advocacy. In 1987, we were the first League in the United States to hire a government affairs specialist. Since then, the Public Policy Council has worked closely with the specialist to monitor, advocate, and support various important pieces of legislation at the Colorado State Capitol. In recent years, the League has supported legislation addressing literacy, children's health, women's health, and women's self-sufficiency issues.
