Junior League of Denver 42nd Annual Mile High Holiday Mart, Nov. 12-14 *Shop unique and high-quality merchants just in time for the holidays!*

DENVER (November 2, 2021) - Join us at the [42nd Annual Mile High Holiday Mart](#), presented by the Junior League of Denver (JLD), Fri., Nov. 12 through Sun., Nov. 14 at Gates Field House on the University of Denver campus. Get into the holiday spirit at the League's largest fundraising event featuring select merchants with unique, high-quality merchandise, a central location, and a fun, festive environment.

This year, masks are required and reservations are recommended. Although reservations are strongly recommended, if you are unable to make a reservation, you can still head to the show but you may have to wait in line during peak shopping times. JLD will be collecting all guest information for contact tracing. Attendee limits will be enforced at the show to ensure the safety of all involved.

"The safety of our guests, merchants and volunteers is our top priority at our 42nd annual event," said Caryne Mesquita, JLD 2021-2022 President. "We are confident that we can provide attendees with a wonderful shopping experience while keeping everyone safe."

The show boasts local and national vendors offering a wide variety of products, including housewares, specialty food items, jewelry, apparel for women, men and children, pet products, and much more! A large percentage of the merchants are local, so shoppers are supporting local Colorado businesses.

Additionally, the League's newest cookbook, [Centennial Celebrations](#), will be available for \$20 at the show (retails for \$29.95 + tax). Released in July 2019, *Centennial Celebrations* is the perfect holiday gift! Copies of the League's [five other award-winning cookbooks](#) will be available with special show pricing as well.

Proceeds support the JLD's efforts to develop the potential of women, as well as help improve literacy rates and provide access to books for children through the third grade. The JLD has been addressing the community's greatest needs for more than 100 years and has started and helped to start many impactful Denver institutions. [Learn more here.](#)
