

JUNIOR LEAGUE OF DENVER

2022-2023 FACT SHEET

WHO WE ARE

Junior League of Denver (JLD) is a women's training organization that develops civic leaders committed to improving our community. We are currently working to disrupt the cycle of systemic poverty for women and families in Denver. Founded in 1918, the League started, and aided in starting, many well-known Denver institutions including Children's Museum of Denver, Mile High Transplant Bank, the Red Rocks concerts, and many others.

LIVE THE LEGACY: GIVE, GROW, GET CONNECTED

JLD is an organization where women Give back to their community, Grow professionally and personally, and Get Connected to other women. The work we do would not be possible without the support of our more than 1,500 members. JLD members receive both formal and experiential training opportunities throughout each League year.
