Junior League of Denver 44th Annual Mile High Holiday Mart, Nov. 10-12 ***Shop local while supporting women and families in Denver!***

DENVER - Get an early start on your holiday shopping at the [44th Annual Mile High Holiday Mart](#), presented by the Junior League of Denver (JLD), Fri., Nov. 10 through Sun., Nov. 12 at Gates Field House on the University of Denver campus. Immerse yourself in the holiday spirit at the League's largest fundraising event featuring select merchants with unique, high-quality merchandise, a central location, and a fun, festive environment.

"We are so excited to host our 44th annual show," said Claire Juneau, 2023-2024 JLD President. "Our volunteers work tirelessly to put on a phenomenal show while raising funds to support women and families experiencing systemic poverty in Denver. We are so grateful to have so many fantastic merchants each year. The Junior League of Denver loves supporting small local businesses!"

The show features local and national vendors offering a wide variety of products, including housewares, specialty food items, jewelry, apparel for women and children, pet products, and much more! A large percentage of the merchants are local, so shoppers are supporting Colorado businesses.

Additionally, the League's newest cookbook, [Centennial Celebrations](#), will be available for \$15 at the show (retails for \$29.95 + tax). Released in July 2019, *Centennial Celebrations* is the perfect holiday gift! Packed with the colorful flavors of the Centennial State and honoring JLD's 100th anniversary, *Centennial Celebrations* includes more than 200 thoughtfully selected and thoroughly tested recipes for every season and occasion. The creative menus, recipes, and entertaining tips will inspire you to cook, connect, and celebrate... Colorado style! Copies of the League's [five other award-winning cookbooks](#) will be available with special show pricing as well.

Proceeds support the JLD's efforts to empower women to become civic leaders and impactful community volunteers, as well as its efforts to disrupt the cycle of systemic poverty for women and families in Denver. The JLD has been addressing the community's greatest needs for more than 100 years and started many impactful Denver institutions.
