## WHO WE ARE

The Junior League of Denver is a women's training organization that develops civic leaders committed to improving our community. We are currently working to improve literacy rates in the Denver metro area for children birth through third grade. Founded in 1918, the League started many well-known Denver institutions including the Children's Museum of Denver, the Mile High Transplant Bank and the Red Rocks Concert Series.

# DEAR COMMUNITY AND MEMBERS,

As a result of your continued efforts and commitment to the League and the Denver community, the 2013-2014 year was a huge success! We would like to sincerely thank you for your contributions.

This year, our Community Council continued their efforts toward expansion and adding literacy programs. The seven Read2Kids events distributed more than 2,000 books and served 743 meals. Kids Connect distributed 700+ books. We participated in 133 Done in a Days and contributed more than 1,625 volunteer hours through this community program. We served more than 5,000 meals at The Gathering Place. The JLD was again a proud \$10,000 sponsor of One Book 4 Colorado — a non-profit that distributes 70,000 books statewide to four-year-olds. On Colorado Gives Day, December 10th, the JLD helped contribute to a record \$20 million in donations! We doubled our donations from last year, bringing in about \$15,000 to the JLD Foundation.

The 2013 Mile High Holiday Mart was a huge success and raised approximately \$117,000 through the hard work of the Mile High Holiday Mart Chairs and committees, JLD members, vendors and community members.

On March 13th the JLD hosted its newest fundraiser, The Journey. In its second year, The Journey raised more than \$72,000 toward our literacy programs. We debuted a special educational video about the importance of early childhood literacy at the event. Elected officials, community partners and educators were featured in the video, and Colorado Lt. Governor Joe Garcia said, "We simply cannot be successful without groups like Junior League of Denver saying we will help provide the man power, the resources, and the focus on these kids before they get to school." The success of this night was due to diligent planning and execution by The Journey Chairs and committee and our generous community sponsors, without whom The Journey would not be possible.

The League is sincerely grateful to all who have contributed to the JLD and the JLD Foundation this year. As the JLD and JLD Foundation work together to build a culture of philanthropy among our members, we encourage everyone to play a part in creating a healthy financial future for the JLD.

The Junior League of Denver's financial stability began with our visionary leaders and a \$70,000 endowment fund at our 70th anniversary in 1988. When we reached our first goal of \$1 million in 1992, we incorporated with the State of Colorado as the JLD Foundation (JLDF). The JLDF is a not-for-profit supporting organization — one of the few of its type among Leagues in the country. Its sole purpose is to support the JLD mission and community focus. The JLDF established a goal of \$6.6 million as the target after which annual distributions from the JLDF to the JLD would begin. We reached this goal in December 2007 and began distributions to the JLD in 2008-2009. Since then, the JLDF distributions have become a significant revenue source for the Junior League of Denver (JLD) operating budget. The JLDF assets grow through gifts from League members and individual donations, bequests and planned gifts, and investment income. The JLD and JLDF are embarking on a combined strategic plan to develop a diversified fund development model to ensure the sustainability of the JLD. Thanks to the generosity of our membership and careful stewardship of the portfolio, the JLD Foundation's assets totaled \$7,480,496 as of year-end. Annual unrestricted distributions from the JLD Foundation are made to the JLD, with \$276,000 requested and contributed in the 2013-2014 year.

Thank you for all you do! We are so grateful for your ongoing support.

Sincerely,

**Lisa Lumley**  
2013-2014 JLD President

**Kristin Brownson**

the JLD Foundation on this very  
special day. Give where you live!*

# JLD FOUNDATION

## 2013-2014 ANNUAL CAMPAIGN SUMMARY

Members of the JLD and the JLD Foundation work together to solicit gifts for the Annual Campaign. Donations to the Annual Campaign are invested in the JLD Foundation's professionally managed endowment. Annual unrestricted distributions from the JLD Foundation are made to the JLD, with \$276,000 distributed in 2013-2014. This year our donors contributed \$135,348 to the Foundation and our net assets grew by 8% to \$7,480,496. The JLD Foundation is proud to continue its fundraising efforts in tandem with Colorado Gives Day, where we continue to see notable growth in donations. Membership in the Helen Daly Peale Society, those who have included the League in their estate plans, grew from 65 to 66 members.

## JLD FOUNDATION GOALS

The long-term goal of the JLD Foundation is to distribute unrestricted grants annually to the JLD. All annual distributions from the JLD Foundation's Board of Directors to the JLD are expended as the JLD Board determines, including a designated portion targeted for community programs, per donor intent.

The short-term goal of increasing the asset base by 7.25% each year is evaluated annually to assure continued growth in invested funds and annual contributions, with very low administrative expenses.

## JLD FOUNDATION MISSION

Founded in 1982, the Junior League of Denver Foundation is a 501(c)(3) not-for-profit corporation and a 509(a)(3) supporting foundation of the Junior League of Denver. The JLD Foundation's sole purpose is to secure the financial vitality of the JLD in perpetuity.

The members of the JLD Foundation's Board of Directors and their respective committees solicit gifts from JLD members to increase the principal of the investment portfolio. The principal increases through gifts from JLD members and selected community members, bequests and other planned gifts, and investment income. The portfolio is managed by Innovest Portfolio Solutions, Inc., reporting to the JLD Foundation's Investment Committee.

## JLD LITERACY PSA VIDEO

The JLD created a powerful video on the impact of illiteracy in Colorado and how community partners and individuals can help. A heartfelt thank you goes out to all community partners that helped us create this informative and emotional piece! We encourage you to watch and share at [www.jld.org](http://www.jld.org).

## ONE BOOK 4 COLORADO

The JLD sponsored One Book 4 Colorado again in 2013-2014, donating \$10,000 to enable every four-year-old in Colorado to receive a copy of *Grumpy Bird* by Jeremy Tankard. This initiative directly supports the League's efforts to give kids equal access to books.

# 2013–2014 JLD COMMUNITY HIGHLIGHTS

## 123 GRANTS: \$9K DISTRIBUTED

In our 2013–2014 year, the 123 Grants Committee awarded two \$4,500 grants to two very worthy organizations: Colorado “I Have a Dream” Foundation (CIHADF) and Open World Learning (OWL)! The funding for these grants was tied to Senate Bill 09–123 to fund at-risk schools serving 6th, 7th and 8th grades in decreasing high-school drop-out rates. The newly established 123 Grants Committee worked very hard on this important project during the 2013–2014 JLD year. Thank you to the 123 Grants Committee, led by chair Julia Lazure! Your efforts and talents are very much appreciated, ladies.

## EARLIER IS EASIER: \$10,000 PARENT TIP CARD SPONSOR

Earlier is Easier was founded by early childhood literacy professionals from three organizations: the Denver Public Library, Reach out and Read Colorado and the Colorado Parent & Child Foundation. Earlier is Easier highlights the importance of interacting with children ages birth to three through singing, playing, talking, reading, writing and laughing. The JLD provided \$10,000 to create 14,000 parent tip cards for distribution across the Denver metro area. This was voted on by our 2013–2014 Board of Directors. Additionally, we hosted Done in a Days in June 2014 to assemble the cards in both English and Spanish. Learn more about Earlier is Easier at [www.earlieriseasier.org](http://www.earlieriseasier.org).

## ESTES PARK LIBRARY FLOOD RELIEF: \$2,090 RAISED

We were all devastated by the heavy flooding that took place September 2013 in our great state. Our Board of Directors voted at the October Board meeting to move forward with a flood relief fundraiser, matching all donations dollar for dollar. We sent a check for \$2,090 to the Estes Valley Library to help renovate and repair the Children's Story Garden. Thank you to all who participated!

## 2013–2014 COMMUNITY PROGRAMS

- **Read2Kids:** Event-based program promoting literacy through access to books and parental/caregiver involvement. In 2013–2014, we hosted seven Saturday events. A total of 460 children served, 2,000 books distributed and 743 meals served.
- **Kids Connect:** Bimonthly literacy-based program centered on early childhood brain development. The program is held at Children's Outreach Center and Sheridan Early Childhood Center in Denver, and was designed and implemented by the JLD. In 2013–2014, 100 children served, 700 books distributed at 26 program nights. An average of 13 children read 2,075 books outside program nights, exceeding original goal of 2,000 books.
- **NEW for 2014–2015! Tutoring With Kids:** The JLD provides one-on-one tutoring for Reading Partners Colorado and Mile High Montessori Early Learning Centers.
- **NEW for 2014–2015! Little Free Libraries:** The League is creating Little Free Libraries in the Denver metro area. It's a “take a book, return a book” gathering place where neighbors can share their favorite literature and stories.
- **Done in a Day:** Providing volunteers for day-long projects to nonprofits throughout the Denver metro area. In 2013–2014, we completed 133 Done in a Days, and volunteers spent approximately 1,628 hours on Done in a Days in the community. The volunteers provided by our Done in a Day program help Denver nonprofits accomplish their goals while saving them money.
- **The Gathering Place:** The JLD is partnering with The Gathering Place to expand and improve the current nutrition program. Volunteers also donate time at the Food Bank of the Rockies under a reciprocal arrangement between the two organizations. In 2013–2014, approximately 5,040 meals and women served.

# PUBLIC POLICY

The JLD has a proud history of public policy and advocacy. In 1987 it was the first League in the United States to hire a government affairs specialist. Since then, the Public Policy Council has worked closely with the specialist to monitor, advocate and support various important pieces of legislation at the State Capitol. In recent years, the League has supported legislation addressing literacy issues, child health issues, women's health issues and women's self-sufficiency issues.

## 2013–2014 LEGISLATIVE SESSION HIGHLIGHTS

- Tracked 14 pieces of legislation and one ballot measure, including active support for six bills.
- Hosted a forum of community leaders at 2013 Mile High Holiday Mart General Meeting to talk to members about community engagement through identifying, analyzing, collaborating, and solving pressing societal needs.
- Hosted a highly successful Legislative Breakfast at the Capitol in February with 20 legislators in attendance.
- Partnered with Colorado Children's Campaign and Clayton Early Learning to support Speak Up for Kids Health Day.
- Hosted Representative Brittany Petterson (District 28), bill sponsor of HB 1072 Child Care Tax Credit.
- Hosted Molly Yost (Clayton Early Learning), bill proponent of HB 1317 Colorado Child Care Assistance Program Changes.

## A SUMMARY OF THE JLD'S KEY BILLS

- **Members actively supported SB 003:** Child Care Assistance Program as a priority two bill, and engaged in outreach to members of the Senate Health and Human Services Committee. SB 003 provided funding to counties participating in the existing Cliff Effect Pilot Program under the Colorado Child Care Assistance Program (CCCAP).
- **Members actively supported HB 1045:** Breast and Cervical Cancer Treatment Fund as a priority two bill, and engaged in outreach to the House Public Health Care and Human Services and Appropriations committees. HB 1045 extended the Breast and Cervical Cancer Prevention and Treatment Program (BCCP) in the Department of Health Care Policy and Financing (HCPF) through July 1, 2019.
- **Members actively supported HB 1072:** Child Care Tax Credit as a priority two bill, and engaged in outreach to members of the House as well as members of the Senate Finance and Appropriations Committees. We also hosted Rep. Petterson, a prime sponsor of the legislation, at a Council meeting and discussed the bill in depth ultimately leading to the support position. HB 1072 created a new refundable child care tax credit for Colorado taxpayers who have a federal adjusted gross income (FAGI) of \$25,000 or less.
- **Members actively supported HB 1156:** School Lunch Protection Act as a priority two bill, and engaged in outreach to House Appropriations, Senate Education and Appropriations committees. HB 1156 provided funding to public and nonprofit elementary schools to eliminate the reduced-price paid by students enrolled in state-subsidized early childhood education centers, and by kindergarten through second grade students participating in the school lunch program under the federal National School Lunch Act.
- **Members actively supported HB 1317:** Colorado Child Care Assistance Program Changes as a priority two bill, and engaged in outreach to Senate members. The Council hosted Molly Yost from Clayton Early Learning, one of the bill proponents, and her presentation was key in determining JLD support for the issue. HB 1317 provided a strategy to ensure that child care be authorized based on maintaining continuity of care for children with the least disruption to the child and that the care schedule not be linked directly with a parent's employment, education, or workforce training schedule.

### GIFT OF TIME

Unpaid volunteers have donated a significant number of hours to assist the League in achieving the goals of its various service programs. In the 2013–2014 year, our members donated approximately 69,000 hours. We sincerely thank our members for their time and talents!

### 2013 MILE HIGH HOLIDAY MART

Our 2013 Mile High Holiday Mart, held November 22–24 at the Denver Marriott Tech Center, was an overwhelming success! About 8,500 shoppers came through the doors during the three day shopping event. The fundraiser again proved to be the best event in town to find unique holiday gifts for family and friends! ### THE JOURNEY, FEATURING KEYNOTE SPEAKER SHANNON SHARPE

Thank you to all who attended and supported The Journey on Thursday, March 13, 2014! A wonderful time was had by all in attendance, about 750 people. Thank you to Journey Co-Chairs Allie Ingalls and Mari Marsico, as well as all members of The Journey Committee for working tirelessly on the event. A huge thank you also goes out to Shannon Sharpe, Reggie Rivers, Denver Mayor Michael B. Hancock, CBS4 Weather Anchor and JLD Member Lauren Whitney, our wonderful sponsors and in-kind donors, and everybody who made The Journey a success. Tears streamed down Shannon's face as he described how he grew up and what a massive influence his dear grandmother had on his life. Reggie provided a fun and heartfelt introduction for Shannon, and did an excellent job auctioning off footballs and a helmet to benefit our literacy efforts. Mayor Hancock provided excellent background on why nonprofits need to be involved in helping children succeed. Again, thank you for your support! Questions?
