2017–2018 ANNUAL REPORT

Kali Handford
2017–2018 JLD President

Carleigh Landers Elkus
2017–2018 JLD Foundation President

DEAR COMMUNITY AND MEMBERS,

Another incredible JLD year has come and gone! Through the tireless efforts of our members, staff, partners and supporters, we have continued to raise the bar with a year full of Mission-centric moments.

We held our first JLD L.U.V.S., Leaders United in Volunteer Service, on September 23, 2017 in the Globeville and Elyria-Swansea (GES) neighborhoods. During this inspiring day of service, 180 members donated 720 direct service hours benefiting the neighborhoods and seven nonprofit partners. It was a wonderful day, and we can't wait to do it again on September 22.

JLD granted \$20,000 in May 2018 to four deserving partners: Florence Crittenton Services, The GrowHaus, Heart & Hand Center and Children's Museum of Denver at Marsico Campus. We will grant up to \$50,000 in 2018-2019, and up to \$30,000 in 2019-2020, bringing the total to \$100,000 given to the community in honor of our monumental 100th Anniversary year.

We completed accessibility-focused improvements at our JLD Headquarters on Delaware by installing a lift elevator, a ramp leading up to our front door, and a fire exit on the lower level of our building, increasing our building capacity from 49 to 123.

Together, we achieved 150% of our fund development goals, with JLD Foundation assets close to \$8 million due to generous donations, healthy market conditions and the phenomenal forethought of the members that established the Foundation in 1992. Today, the JLD Foundation provides approximately 30% of the League's annual operating budget.

All JLD fundraisers set attendance and/or fundraising records over previous years. Our community programs continue to grow and prosper. We held trainings throughout the year on a variety of interesting and informative topics.

Overall, the year was a great success! It has been our humblest honor to serve as your President and Foundation President. Our hope for our 100th Anniversary year is that members will take the time to honor our past, and continue to forge ahead into a hopeful and prosperous future.

Thank you for all you do each and every day for the JLD and our beloved community.

Sincerely,

Kali Handford
2017–2018 JLD President

JLD FOUNDATION

In 1992, the founding members recognized a need to provide the means to sustain the JLD and its Mission long term. The Foundation now provides approximately 30% of the League's annual operating budget each year.

On May 31, 2018, the portfolio balance was \$7,766,928. Thanks to the generosity of you, our members, and careful stewardship of the Foundation, the 2017–2018 distribution to JLD was \$287,594. The annual distribution is given in accordance with JLD Foundation policies to be expended as the JLD Board determines.

The Foundation continues to create a culture of philanthropy where members give what they can in a way that honors their personal giving goals.

Our JLD Foundation is a powerful tool, allowing us to increase our direct impact on the community. Thank you for your support and generosity.

JLD SUPPORTS DONOR CHOICE

When you make a gift to the Junior League of Denver directly, you support the immediate needs of the League and the community programs we support. When you make a gift to the Junior League of Denver Foundation, you ensure the League will be strong now as well as for our daughters and granddaughters.

2017–2018 JLD COMMUNITY HIGHLIGHTS

In our 100-year history, JLD has been known for identifying the greatest needs of our community and developing solutions to meet them, from healthcare, to the arts, to the needs of women and children.

Today, we are focused on improving literacy rates and providing access to books for children through the third grade. To address this significant need, JLD supports multiple community projects financially and with trained volunteers. Our curriculum approach promotes family participation by providing interactive programs that encourage children to get excited about books and learning to read. Questions? Email community@jld.org.

JLD L.U.V.S. — LEADERS UNITED IN VOLUNTEER SERVICE

We held our first JLD L.U.V.S. day of service on Saturday, September 23, 2017 in the Globeville and Elyria-Swansea (GES) neighborhoods. All in all, 180 members donated 720 direct service hours benefiting the neighborhoods and seven nonprofit partners. Our second annual event is scheduled for September 22, 2018.

ONE BOOK 4 COLORADO

JLD provided a \$10,000 sponsorship to One Book 4 Colorado for the sixth consecutive year. More than 75,000 copies of *Groovy Joe: Dance Party Countdown* by Eric Litwin were distributed to every four-year-old in Colorado from April 9-23, 2018. Learn more at onebook4colorado.org.

2017–2018 COMMUNITY PROGRAMS

- **Done in a Day:** JLD provides volunteers to nonprofits for short-term projects throughout the Denver metro area. We completed 151 Done in a Day shifts, donated 2,580 volunteer hours, served 2,406 meals and collected 642 diapers through this program.
- **The Gathering Place:** JLD serves meals at Denver's only daytime drop-in shelter for women, their children, and transgender individuals experiencing poverty or homelessness. We completed 18 shifts, donated 428 volunteer hours, served 1,174 meals and provided the shelter's milk supply for the year.
- **Grants:** JLD granted \$20,000 in May 2018 to four deserving partners: Florence Crittenton Services (\$10,000), The GrowHaus (\$5,900), Heart & Hand Center (\$3,100) and Children's Museum of Denver at Marsico Campus (\$1,000 and 250 books). We will grant \$50,000 in our 2018-2019 year, and applications will open October 1.
- **Kids Connect:** JLD designed and implemented this literacy-based program centered on early childhood brain development, currently held at Sewall Child Development Center. More than 200 children and their caregivers attended 14 program nights with 271 books distributed and 357 meals served. Starting in Fall 2018, the program nights will be held at another Sewall location, the Dahlia Campus for Health and Well-Being.
- **Read2Kids:** JLD designed and implemented this event-based program promoting literacy through access to books and parental/caregiver involvement. We served 11 partner schools, donated 267 volunteer hours, served 1,148 meals and distributed 2,250 new books to 750 kids and their families. Our partner profile targets Denver metro area schools with 85% or more of students qualifying for free or discounted lunch, and the program serves children preschool through sixth grade.
- **Tutoring with Kids:** JLD provides two types of one-on-one tutoring.
Reading Partners Colorado: Volunteers donated 65 hours of face-to-face tutoring to help children master reading fundamentals for their grade level.
TutorMate: Volunteers donated approximately 80 hours to this online literacy program that helps prevent kids from falling behind their suggested reading level.

PUBLIC POLICY AND ADVOCACY

JLD has a proud history of public policy and advocacy that began in 1981. We were the first League to hire a government affairs specialist in 1987. The Public Policy Council works closely with this team to advocate for various pieces of legislation. In recent years, the League has supported policy addressing literacy, children's and women's health, early childhood education, affordable childcare and women's self-sufficiency issues. The Public Policy Council also hosts several training opportunities throughout the year to educate the membership on key issues facing our state as well as the election process, in addition to events that connect our members directly with legislators and community partners. Questions? Email publicpolicy@jld.org.

2018 LEGISLATIVE SESSION HIGHLIGHTS

- Tracked 20 bills and actively engaged in six, including legislator outreach and testimony
- Hosted 25 legislators and staff at annual Legislative Breakfast
- Trained members on the issue of human trafficking in Colorado at our October General Meeting
- Trained members on 2Gen policy issues at our March General Meeting
- Hosted community partners at Public Policy Council meetings
- Trained Public Policy Council via "Day at the Capitol" shadowing
- Organized a book drive for a Little Free Library at Denver City Councilman Chris Herndon's District Office
- Selected Representative James D. Wilson (R-Salida) as 2018 Legislator of the Year

JLD MEMBER TRAINING

In addition to the experiential training our members receive through various placements and projects, JLD features a Training Council that provides a variety of learning and enrichment opportunities for our members, serving the very heart of our Mission. Questions? Email training@jld.org.

OUR TRAINING COUNCIL CONSISTS OF THE FOLLOWING COMMITTEES:

- **Actives Plus:** Seeks to connect Active members with peer groups that share interests beyond their placement. Active Plus Committee members act as mentors to these participating members in order to facilitate the development of skills for use both inside and outside the League.
- **General Meetings:** In collaboration with the JLD President, develops larger League-wide events featuring inspiring keynote speakers, advocacy training and much more. General Meetings serve as a member touch-point, a networking opportunity and an important platform for membership voting matters in the JLD.
- **LEAD:** Focuses on core leadership competencies, soft skills and peer learning. Offers training for our leaders in the League, including Board members.
- **Leadership Institute:** Structured as a course providing personal and professional development, JLD members are selected through an interview process and participate in regular classes throughout the year. The intent is for participants to take on a leadership role within the League upon successful completion of their course work.
- **Talent Management:** Provides specific training to give women the skills they need to be successful in their League placements. Examples include literacy training for Read2Kids volunteers and fundraising technique training for The Journey volunteers.
- **University League:** Identifies personal enrichment opportunities valuable to our members. Topics focus on a wide variety of personal interests such as interior design, auto maintenance, career performance and enhancements, home buying, women's health and other new topics each year.
- **Get on Board:** Currently in the research and development phase, will provide access to a short educational series focused on training our members to be effective, productive and valuable assets to other nonprofit boards in our community.
