

PRESIDENTS' LETTER

Throughout our 103rd year, we made significant and meaningful strides to fulfill the League's Mission to develop civic leaders and impactful community volunteers. Despite various challenges, our members continued to answer the call, completing more than 3,000 hours of service while providing support and friendship to each other.

We started the year by welcoming 105 New Members and 38 Transfers to our JLD ranks. Growing our membership while providing ongoing training opportunities continues to be a top priority for the JLD. Additionally, this past spring, we hosted our first Sustainer Emeritus Luncheon after two long years. Everyone had a wonderful time catching up with friends, old and new, and celebrating the members who set the foundation for today's League.

In the fall, we successfully introduced our new community focus: The Junior League of Denver focuses on disrupting the cycle of systemic poverty for women and families in Denver. In addition to our literacy efforts, the League has expanded to areas that include homelessness, education, health and food security.

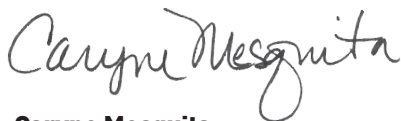

In conjunction with our community work, the League's DEI efforts remained at the forefront. To align with AJLI, our international organization, we changed the name to Diversity, Equity, Inclusion & Belonging (DEIB), giving our organization the ability to broaden our effectiveness. DEIB is set to serve the JLD as a standalone committee that directly advises the Board and supports all councils.

With the unexpected sale of our JLD Headquarters on Delaware Street, we enthusiastically found a new building, fulfilling the search requirements defined by our members. The League continues to give, grow and get connected from our temporary space on Bellaire. Members will be kept up to date on our renovations and the big move to the new HQ on Washington Street in 2023. We want to thank all of our members for your flexibility and drive to fulfill our Mission during this time of transition!

On the JLD Foundation front, we are happy to report that we hit our annual fund development goal of \$100K! The Foundation's assets totaled \$8,923,200 at fiscal year's end. Concurrently, we celebrated the 30th Anniversary of our JLD Foundation with distributions totaling \$3.8M over the last 14 years. In 2021-22, the Foundation Board distributed \$360,302, the maximum allowed to the JLD, supporting 33% of the JLD's annual operating budget. The Foundation was very busy this past year, completing a thorough RFP process to renew our investment partner, Innovest Portfolio Solutions. The JLD Foundation also expanded the size of the Board from 14 to 17.

We are grateful for all of our members. This report is a testament to a year full of incredible perseverance and superb accomplishments. Thank you for living our legacy to the fullest as a League of extraordinary women!

Sincerely,

Caryne Mesquita
2021-2022 JLD President

WHO WE ARE

The Junior League of Denver (JLD) was founded in 1918 on the principle that women can come together in the spirit of voluntarism to improve the quality of life in our community. Today, JLD welcomes women of all races, religions and national origins who value the Mission. Since its founding, JLD started, and aided in starting, many well-known Denver institutions including Children's Museum of Denver, Mile High Transplant Bank, the Red Rocks concerts, and many others.

JLD FOUNDATION

In 1992, JLD members recognized a need to provide the means to sustain the League and its Mission long term. The Junior League of Denver Foundation (JLDF) now provides approximately 25–30% of the League's annual operating budget each year. On May 31, 2022, the portfolio balance was \$8,935,350. Thanks to the generosity of members and friends who have grown the JLD Foundation over many years, the 2021–2022 distribution to JLD was \$360,302, including reimbursement of operating expenses incurred on the Foundation's behalf. The annual distribution is given in accordance with JLDF policies to be expended as the JLD Board determines. While the greatest needs in our community might change, the JLD's commitment to developing women into trained volunteers ready to address the greatest needs will never change. The JLD and JLDF continue to work together on a combined strategic model to streamline fundraising efforts in order to be more efficient. To that end, members are encouraged to make gifts, no matter what size, to the JLD and/or the JLDF. The Foundation continues to create a culture of philanthropy where members give what they can in a way that honors their personal giving goals. The JLDF is a powerful tool, allowing the JLD to increase its direct impact on the community.

GIFT OF TIME

Unpaid volunteers have donated a significant number of hours to assist the League in achieving the goals of its various service programs. **In the 2021–2022 year, our members donated more than 76,500 hours.** We sincerely thank our members for their time and talents!
