

JUNIOR LEAGUE OF
DENVER

ANNUAL REPORT
2019-2020

PRESIDENTS' LETTER

Thank you for your dedication and commitment to the Junior League of Denver in the 2019-2020 year!

Throughout our 101st year, we made significant and meaningful strides to further our Mission and develop civic leaders by implementing the newest version of our Strategic Plan, researching how to expand our community focus area and elevating our diversity and inclusion efforts.

Tragically for our community, state, country and world, we also experienced overwhelming sadness at the devastation caused by COVID-19. The JLD rolled out a robust COVID-19 response, and we were continuously inspired by our members' agility, passion and innovative solutions, while still having a deep impact on the community.

JLD members were generous with their time, talent and treasure this year, as always, and gave back in meaningful ways. Please take the time to read through this annual report to see the details of our community and advocacy work.

Despite canceling The Journey 2020 due to COVID-19, we were successful through various fundraising events, Annual Campaign efforts and the generosity of our members and community partners. We raised more than \$85,792 to help with the immediate needs of the JLD and \$71,869 for the JLD Foundation to ensure the JLD can continue its important work. The strong partnership between the JLD and the JLD Foundation continues to be vitally important, now more than ever, as we face more challenging times. We are so grateful for the women who worked tirelessly with such incredible foresight to start our JLD Foundation.

We officially released our sixth award-winning cookbook in July 2019, *Centennial Celebrations*. Additionally, we celebrated the 40th Anniversary of our Mile High Holiday Mart, November 8-10, 2019.

We also continued our proud tradition of training our members to be civic leaders. The JLD graduated new classes from our Leadership Institute and Get on Board programs. Additionally, we conducted in-person and virtual General Meetings with robust programming on important issues like diversity and inclusion, ballot initiatives, community, advocacy, professional development and nonprofit leadership.

We offer our sincerest thank you for supporting the work of the Junior League of Denver. Your ongoing commitment to the JLD has helped us thrive for over a century and is so important as we enter our 102nd year. Thank you for giving back to the community, growing the potential of women and getting connected with our organization.

Julia Lazure
2019-2020 JLD President

WHO WE ARE

The Junior League of Denver (JLD) was founded in 1918 on the principle that women can come together in the spirit of voluntarism to improve the quality of life in our community. Today, JLD welcomes women of all races, religions and national origins who value the Mission. Since its founding, JLD started, and aided in starting, many well-known Denver institutions including Children's Museum of Denver, Mile High Transplant Bank, the Red Rocks concerts and many others.

SPOTLIGHT STORY

JLD volunteers teamed up with local schools to encourage reading while making it fun at Read2Kids events held September 2019 through March 2020.

In addition to receiving books and refreshments, families had the opportunity to hear stories read by local celebrities, authors, and firefighters and participated in a variety of fun activities, such as art projects, face painting and even magic shows.

Too many young children, especially those from low-income families, do not have quality books at home, setting them at a significant disadvantage in terms of language and literacy development. Numerous studies show that the mere existence of books in a household can lead to major strides in reading achievement, school readiness and cognitive development. Read2Kids, which is free and open to the public, puts books in the hands of children and empowers parents through programming—equipping more Denver families with the tools they need to give their children a bright start.

“ I appreciate all the time and effort you put into providing this wonderful opportunity for our students. I look forward to working with you again next year! ”

—Fairview Elementary, Westminster Public Schools

SPOTLIGHT STORY

The Third Annual JLD L.U.V.S. (Leaders United in Volunteer Service) day of service centered around the theme of “Empowering Our Future Generation.” JLD members worked hand-in-hand with community members to complete various projects across Denver, benefitting 13 nonprofit organizations doing valuable work in the community: Anchor Center for Blind Children, Children’s Hospital Colorado, Denver Children’s Advocacy Center, Denver Public Library Friends Foundation, El Sistema, Florence Crittenton Services, Friends First, Girls Inc. of Metro Denver, Girls on the Run, The GrowHaus, Judi’s House, Kenzi’s Causes, and St. Jude’s Children’s Hospital Walk/Run. JLD also provided financial assistance for each project, with donated funds totaling \$12,000.

“ We were honored to welcome the Junior League of Denver to Judi’s House for their Third Annual L.U.V.S. Day of Service this past weekend. From painting to cleaning, they did it all! THANK YOU, volunteers, for your hard work and for giving back to the Denver community! ”

—Judi’s House

MEETING THE CHALLENGES OF COVID-19 CREATIVELY

“ It is through hope that we can truly build on the Junior League of Denver’s history of resiliency and impact. ”

—JLD President, Julia Lazure

2020 began with high hopes—another successful Colorado Gives Day campaign, an inspiring Journey event planned with soccer superstar Carli Lloyd and plans for another impactful JLD Day at the Capitol. The entire world shifted dramatically with the onset of COVID-19.

During the mind-stretching months that followed, JLD members proved that they are strong, endure, and will always be on hand to address our community’s greatest needs. Every aspect of JLD work required adjustments—from renegotiating event contracts to reimagining all meetings and trainings virtually and reallocating funds for outside-of-the-box donations. In addition to these internal organizational pivots, the League shifted its community focus to providing meals and supplies to people experiencing homelessness, creating and donating masks, ensuring local school districts had enough books and making a donation to the Help Colorado Now fund. Through compassion, hard work and dedication, the JLD was able to creatively carry on in its Mission to support the Denver community.

“ When the pandemic hit, it seemed that the shelter would have to rely on staff to cook and prepare all meals for our youth. The kindness and generosity from organizations like the Junior League provided the relief to know that meals were taken care of. ”

2019-2020 COMMUNITY IMPACT

The JLD is proud of the impact made through the Community and Public Policy Councils. These councils facilitated numerous programs and initiatives addressing literacy, children's and women's health, and women's self-sufficiency issues.

“ I hope today that our members come away feeling empowered, that they're making an impact on the community, especially with the children that are our future generation. ”

JLD RELEASES SIXTH AWARD-WINNING COOKBOOK

Centennial Celebrations, JLD's sixth award-winning cookbook, was released in July 2019. So much "butter, sweat and tears" went into this massive undertaking. *Centennial Celebrations* Chair and fearless leader, Mary Beth McErlane—as well as her entire team—spent countless hours creating JLD's newest cookbook. The book has sold very well so far and received the Independent Book Publishers Association (IBPA)'s 2020 Benjamin Franklin Silver Award.

When the pandemic caused a complete shut down in March 2020, JLD members decided to partner with House & Howell Social to host three virtual cooking demonstrations using recipes from *Centennial Celebrations*, providing much-appreciated comfort and contact.

JLD FOUNDATION

In 1992, Junior League of Denver members recognized a need to provide the means to sustain the JLD and its Mission long term. The Junior League of Denver Foundation (JLDF) now covers approximately 25–30% of the League’s annual operating budget each year. On May 31, 2020, the portfolio balance was \$7,581,080. Thanks to the generosity of members and friends who have grown the JLD Foundation over many years, the 2019–2020 distribution to JLD was \$273,705, including a \$50,000 reimbursement for operating expenses. The annual distribution is given in accordance with JLDF policies to be expended as the JLD Board determines. While the greatest needs in our community might change, the JLD’s commitment to developing women into trained volunteers ready to address the greatest needs will never change. The JLD and JLDF continue to work together on a combined strategic model to streamline fundraising efforts. To that end, members are encouraged to make gifts, no matter what size, to the JLD and/or the JLDF. The Foundation continues to create a culture of philanthropy where members give what they can in a way that honors their personal giving goals. The JLDF is a powerful tool, allowing the JLD to increase its direct impact on the community.

GIFT OF TIME

Unpaid volunteers have donated a significant number of hours to assist the League in achieving the goals of its various service programs. In the 2019–2020 year, our members donated approximately 83,000 hours. We sincerely thank our members for their time and talents!

MAKE A GIFT TODAY

JLD is a largely volunteer-run organization where all donations have a direct impact. Your support provides more families with the tools they need to not only give their kids a bright start, but also navigate a difficult time. You may choose to make a contribution to the League in support of the organization's immediate needs or to the Foundation as a future investment. Go to [JLD.org/donate](https://jld.org/donate).

“ Every time we sit down to work one on one with a student, we are providing them with the skills to read at grade level. Doing this before they reach 5th grade will directly impact their grades and their willingness to stay in school through high school. ” —JLD Member

#JLD

“ This year, we have experienced significant joys and large steps in progress, as well as overwhelming sadness for our community and our world. Through it all, I have been continuously lifted up by the women who make up the JLD, as well as the work that our organization engages in on a daily basis. ”
