

JUNIOR LEAGUE OF DENVER

Read2Kids: Pinnacle Charter School Tuesday, September 19

The Pinnacle Charter School Timberwolves showed up in record numbers for the school's Literacy Night. Read2Kids volunteers met over 180 K-5th grade students, their parents and teachers, and distributed around 525 books to further the students' at-home reading. Each child received a JLD logo backpack containing a bilingual animal-themed book. With help from parents and Read2Kids members, each child chose two additional reading-level appropriate titles to fill their backpacks. Students also flocked to the craft table, creating projects related to the animal theme book.

Dedicated to disrupting the cycle of poverty, Read2Kids is one of JLD's three literacy-focused committees. Read2Kids volunteers work with families and teachers to make the reading-focused nights fun and memorable. Typical events include the Book Fairs, crafts, teacher led book reading, a magician and dinner.
